## ARTIST MEMBERSHIP APPLICATION

### Membership

Membership enables you to exhibit your work throughout the year and requires your active participation in running the gallery. Those responsibilities include, but are not limited to:

- Participating in on-going service commitments, some of which can be conducted from home
- Sitting, or arranging for sitting in order to keep the gallery open, especially during the month of your show
- Framing, hanging and removing your exhibition, or arranging to have it done
- Arranging for the transport of your work to and from the gallery

### Portfolio Review of Prints for Membership

Generally, portfolios are reviewed at 10:00 AM on the first Saturday of every month except August (refer to our website for dates). A portfolio is a cohesive body of 12 to 20 prints representing a distinct theme or an on-going project illustrating:

- Your skill as a photographer
- Your ability to edit your prints
- Your ability to present exhibition-quality prints

Your prints should be unframed, but appropriately matted or presented according to your vision, as though you were preparing for an exhibit. If you plan to display your work in any manner other than traditional framing, please give us a very brief description of what you intend to do.

A \$50 non-refundable deposit is required upon submission.
